WORDS OF HOPE

Hope United Methodist Church

EMBRACING DIFFERENCE

This past month there have been many incidents around that world that remind us of the complex nature of human relations and how easy it is to be afraid of people we don't know. The question then is how do we deal with our fear as people of faith? How do we embrace our differences instead of using them to fight one another?

In this area there is no doubt that as followers of Jesus we are called to not take the easy path, but to forge new paths that lead to connection and understanding. We are all afraid of what we do not know, but if all people are God's children, then we are called to understanding and love for one another, no matter whether we go to church, practice our faith on a trail up the North Shore or follow a different path all together. Jesus spent much of his time on Earth with those who were on the margins of life, who lived differently, from what was perceived as the "norm". He knew that to truly bring about peace and God's kingdom we would need to start by loving one another and building communities.

That means embracing our differences instead of being afraid of them! Easy to write, not always so easy to do because that fear is on both sides of any meeting. Think

about that the next time you are unsure or afraid of interacting with a person or group who is very different from yourself - they too are probably feeling the same way!!!! When we take the time to understand one another or even to realize that we all have the same feelings we can more easily come together. When we come together, we find our similarities and learn from our differences.

Just think - if we all had the same spiritual gifts how would we get everything done God wants us to do? There would be no music if we were all pastors, no mission work if we were all administrators, no moments of inspiration or deep joy if we forget about faith's mystery. Our differences make us each unique and make our faith community stronger, more loving, and more giving.

I think of all of the people I know who create through sewing, quilting, woodwork, art, writing, cooking, etc. If those creators didn't constantly use difference colors, fibers, ingredients, whatever, each creation would be much the same as the one before. God used different ingredients for each one of us and look how colorful, unique and gift-filled we are!!!

Embracing our differences, embracing

different lenses through which life is viewed, is what we are called to do. God's kingdom is in the making and each time we embrace our differences and welcome those who we don't yet fully know or understand, we move that much closer to making that kingdom a reality.

So, I invite you to do something this month to embrace the differences around you - talk to a neighbor you have been avoiding, attend an event of an ethnic group you want to understand further, attend events to support your passion: whatever you can find. Embracing our diversity is embracing God more fully and it helps us to understand not only our world but ourselves better. Praise God for the blessings of our differences.

Thought for the month from the Hope Prayer Group:

Faith is not the belief that God will do what you want.
It is the belief that God will do what is right.

Administrative Council

During the Ad Council meeting in August there were many issues discussed:

- Hope for the Future updates were discussed with a presentation on Sunday, August 20th, by Rob West. What has been completed and purchased in the past year and how we will continue moving forward for the next two years was also discussed. Hopefully a retreat regarding the next couple of years will be planned this fall. Thank you all for your ideas and contributions. And a special thank you to a Rob West, Pete Bergman and Geoff Popham for all your dedication.
- Lester Park UMC has agreed to meet with congregations interested in merging with them. Hope will meet with them on September 14th to hear their story and find out how we can best support and partner with Lester Park during this time.
- Check out the newly constructed Communion Table and Baptismal font that Dean Beeman constructed from the wood taken out of the sanctuary!
- A shout out to all who helped make "Bring A Friend to Church" Sunday a success. It was great to have so many visitors! Also, a special thanks to Anita Rixe for the yummy luncheon. Her roast beef sandwich recipe can be found in the HUMC cookbook.
- Discussion was also held regarding the parking lot - who can park their car in it and where to park. There will be a policy drawn up before UMD classes begin and we will be very diligent in following the postings.

*Hope, Faith & Love,
Robyn Christianson, Ad Council Chair*

COFFEE TIME

The trial run of having coffee in the Mathison Room before service seemed to be popular and we would like to offer it again. It will be a simpler version this time: make a few air-pots of regular and decaf coffee in the kitchen system, bring it upstairs and set things up ½ hour before service. After service begins, tidy up the room and take pots back to the kitchen. It can happen if folks help staff it. If you will help with this, contact Sue Beeman (348-2406) or Sally Herstad (340-9101).

Finance

DIDJA KNOW that on Sunday, August 20th, those folks who stayed after worship had a couple of treats to enjoy? First, we had really great pies to choose from and enjoy with coffee. Second, we heard Rob West lead a presentation in which we heard about the first year of our *HOPE FOR THE FUTURE* event. We heard about how our sanctuary has been remodeled, how we are moving ahead with some exciting work as a congregation, and how our worship committee is considering ways to make our worship experiences even more meaningful. And we heard that was all accomplished without incurring any debt! We indeed are fortunate to have such tremendous support from our members and friends!

And as fall approaches we again will consider our support and commitment to the work of our church. Our **ANNUAL STEWARDSHIP CAMPAIGN** will begin in early October. While the *HOPE FOR THE FUTURE* efforts focused on specific and shorter term issues, the Annual Stewardship Campaign deals with our every day, on going efforts to serve and please God. We will all be asked to renew and expand our commitments to the greatest extent possible.

Commitment Sunday, the day we bring our pledges to church, will be October 29th. HOPEfully we will enjoy the same strong commitment we have seen in years past. We are blessed! Keep the faith!

*For your Finance Team
Pete Bergman, Chair*

Hospitality

Please help us keep providing treats and coffee for the fellowship time after worship. The Hospitality team makes the coffee, so you just need to serve it.

A **HUGE THANK YOU** to Dick Scheibe for providing Sunday morning treats! We also share them with UNS, UCM, and Aftenro.

THANK YOU to Nancy Sivertson, and all our Sunday morning volunteers! Please sign up to help on a Sunday in September.

SEPTEMBER MISSIONS

September means Fall and Fall means chilly weather is upon us! Hope UMC will collect gently used coats, hats, mittens, sweaters, and scarves for the Damiano Center. Coats can be hung on the far left section of the coat rack in the Narthex. All other items can be placed in the box under that rack! Last day to donate is October 1st. Let's help keep Duluthians warm!

And remember, we are still collecting glossy paper to help UMCOR with water projects around the world. Please drop off your ads and shiny paper under the name tag tables in the Narthex. Thank you!

Heifer Project

Thank you everyone for your gifts. Our total giving so far this year is \$731.56! Pete the Pig thanks you.

50 Cent Sale & Book Sale, Bake Sale

United Campus Ministry and Hope are joining together for a day of fundraising and fun! The date has been set for the annual 50 Cent, Book & Bake Sale – **Saturday, September 23rd from 9-2pm.** There's still time to go through your things and books and put a box together for the sale! Drop it off at church anytime. Also, please sign up at church to help set up on the Friday before the sale or cashier the day of the sale.

This sale brings together the community and UMD students and provides quality items that are no longer being used to find new homes where they will be utilized. It also raises much needed funds to continue the campus ministry in Duluth.

The bake sale proceeds will stay here at Hope to help us continue God's work. We do ask for baked goods that can be sold for this sale. Please contact Bev Merritt if you would like to bake something yummy. Pickles, jelly, jams, breads, cakes, scones, muffins...you name it!

HOPE ACTIVITIES

WIRED WORD

Rev. Joan Goebel, retired UMC clergy, will continue to facilitate a Sunday morning class using The Wired Word, a United Methodist communication.

The Wired Word starts with a news article from the week; and then offers scriptures and questions to help a class confront the news with our faith. Each class is self contained, so you are welcome to come to those you have time for.

The class will meet every Sunday at 11:10 am after worship in the Mathison Room. Feel free to get a cup of coffee and snack before we start.

If you let her know you hope to attend, she can e-mail you a copy of the news article on Fridays. Joan's cell phone is 715-381-3819 and her e-mail is retiredpastors@centurytel.net.

The Hope Garden

Workdays will continue on Tuesdays at 9:00 am for the month of September. Still looking for a volunteer/s to dig out (on your time schedule) the two dead Sand Cherry shrubs in front. More roof shingles needed – they will be placed under the rocks along the gravel path to help with weed control. Clearing space for the butterfly garden is ongoing.

Contact Sue Beeman at 728-2406.

GOLDEN TEA SEPTEMBER 7th

As we make our way into autumn we will begin with a time of fellowship and fun with this year's Golden Tea. The tea will be held on Thursday, September 7th at 2:00 p.m. here at Hope and all who are 80 and over (and spouses!) are invited to attend this event with Pastor Laurie and CYF Director Katrina.

Please RSVP to the church office (724-2266) by Tuesday, September 5th.
If you need transportation please let us know!

EVENING "WIRED WORD" OPPORTUNITY

Have you wanted to learn more about how to look at what's going on in the world through the lens of faith but can't make the *Wired Word* time on Sunday mornings? Well, now you have another opportunity! Beginning Monday, September 11th there will be a second *Wired Word* discussion from 6-7:00 p.m. This discussion is open to anyone interested in learning more about issues through the lens of faith, and it's a great way to have discussion and fellowship as confirmation and youth meet. If you are interested in receiving the *Wired Word* email ahead of the Monday discussions, please contact the church office.

Evening Book Club

The Evening Book Club usually meets on the 3rd Tuesday of the month at Hope, 6:30pm. Please join us for some great reads!

September: *Midnight in the Garden of Good and Evil* by John Berendt

October: *Cutting for Stone* by Abraham Verghese

November: *Lucky You* by Carl Hiaasen
All are welcome!

Hope Quilters

Hope Quilters will meet on Thursday Sept. 28th at 9:30 am in Fellowship Hall. Bring your sewing machine and a bag lunch.

For anyone that sews, we need your small, throw away fabric scraps, trims. These will be used to fill pillow cases in making beds for the animal shelter. Contact Sue Beeman at 728-2406.

Happy sewing!

YOUTH NEWS

Happy September, everyone! We have a busy fall coming up, and I would like to highlight a few things happening in September and the beginning of October. You can find more information about all these events and more in the Fall Opportunities Brochure that you will be receiving in a few weeks. Please let me know if you have any questions, concerns, or ideas!

Youth Group:

Youth group will begin on Monday, September 11th, and meet on the second and fourth Mondays of the month. It

would be great if the confirmation students and the youth group participants could start as a group by enjoying a meal (the UCM dinners) together on the second Monday of every month. We will meet from 6-7pm, and the fourth Monday of every month will be the opportunity for the confirmation participants to still be involved in youth group.

Parents and Pals Playtime: Starting during the first week in October, we will be hosting a playtime for parents and toddlers in our fellowship hall. These events will be offered on Tuesdays and Wednesdays from 9:30-11:30am. We hope to provide coffee and possibly treats for the parents. We are looking for people to volunteer to make coffee/treats and be here during that timeframe to talk with parents and supervise.

I will be here during those times, but it would be great to have others here as well. Please let me know if you are interested. Thank you!

God Bless,

Kid's Korner

Here we are starting September and Kids' Quest is ready to start another school year session. We begin our year with an enrollment of 5 students and whoever else would like to join us. Each one of these young people is so very important to us and we love them. More than that, they are loved by God and are very important to Him.

Our line up of teachers is ready and willing to start a new year. Our teaching team this year consists of Lori Amundson, Sandy Johnson, Suzanne Kelley, Linda Rolland, Anita Rixe, and Sara Schutt. We are excited to continue to share God's love and special lessons from the Bible with our dear young people.

We covet your prayers. Our curriculum is again the Deep Blue series from Cokesbury. We are making a slight change in that we will use lessons written for the early elementary age group. Since our enrollment is younger we will try to have the lessons easier to understand for them. We will again be working on Bible verses. Our lessons for September will focus on Old Testament stories of Hannah, God calling Samuel, Samuel anointing Saul and Samuel, and anointing David.

We would encourage our children to bring friends with them to Kids' Quest. Friends are welcome any time. We would love to share our time with them.

Upcoming special dates:

- September 10 - first day of class for 2017-2018
- December 10 - bake sale
- December 10 - Christmas program practice
- December 17 - Christmas program

Blessings,
~Anita

MUSIC NEWS

Hope Choir resumes Wednesday, August 30, at 6:00 pm for our kick-off choir pot blessing meal in the fellowship hall with practice upstairs in the sanctuary afterwards!

The Hope choir is an enthusiastic, fun choir and we LOVE new members!

No experience necessary—just a willingness to sing! We are blessed with four section leaders that are music students from UMD, which adds to the energy and fun we have, as well as use of their tremendous talents.

The choir presently sings the first and second Sundays of the month and for special holiday services. Our practices are on Wednesday nights at 6:30 pm to no later than 8:00 pm and on the Sunday mornings that we sing, 9:15 am before the 10:00 am Sunday service. We take the summer off.

As Hope's choir director and music director, I am very proud of the Hope choir as they have hearts of gold and love to praise the Lord in song.

Any questions? Feel free to email me:

Friday Evening Prayer & Music Service

September 15, 6:30 p.m.

The Highest Praise is to Echo the Heart of God. We do this monthly by hosting an opportunity for you to pray with us through music. The Bible admonishes us not to be anxious about anything, but in everything by prayer and supplication with thanksgiving let our requests be made known to God. The next Pray Through Music session will be held at Hope September 15 at 6:30 pm.

Join us, Kevin & Liz Raihala

Volunteers Needed for Hope's Music Department

Have we got something great for you!

You can enjoy being part of the music group, spend time with really nice people, feel good when you leave, learn skills without any effort and it doesn't even cost admission! You will not be asked to sing, play an instrument or stand in front of a group of people. We are looking for someone that can read, press a button and loves God. This person is needed to advance the overheads projected on the sanctuary TV monitors during the Sunday Service.

Call now! We only have three Sundays a month left to fill! Kevin Raihala ☆ 218.428.4042
